Questionnaire Feedback

Our commitement to you and your children...

Many thanks to all parent and carers who participated in our recent questionnaire, we welcome the opportunity to hear how you think we are doing and any improvements that can be made. Your feedback has been discussed and reviewed and here is our response...

Outside Area: It was commented that the outdoor play area could use some TLC. In response to this staff have requested via facebook donations of plants, plant pots, garden toys and any other garden equipment. We aim to make the outdoor area more inviting and appropriate to the other users of the grounds. **Notice Boards:** The notice boards located in the hall display all staff and their qualifications, we have also added new boards which display the children and their key workers. **Child Reviews:** All children and parents will be invited to our parents evening which will take place in May, this is an opportunity for us to discuss your childs development and

answer any questions you may have. If any parents have queries at any time please speak to a member of the team. **Transition:** Owlets work closely with Langford Academy, we are anticipating to receive transition dates from the academy by May **Communication:** You will have been given a contact update slip. Please ensure that you complete and return this as we will be emailing parents and carers with regular updates and details of upcoming events. We also have a Facebook page that is regularly updated with the activities of that day. Owlets would like to take this opportunity to remind parents that we welcome their input in our activities.

Committee News: Owlets have recently had a change to their committee and the members are as follows:
