All About Me!

This month Owlets will be focusing on the topic, *All About Me!* This topic involves children talking about themselves, their feelings and their likes & dislikes. We will be encouraging the children to draw pictures of themselves & have lots of fun activities planned. As part of the topic we will also be discussing healthy lifestyles and promoting healthy eating. During this month we will be encouraging children to bring things into preschool that are of importance or interest to them. We will be sharing this during our group time.

Owlets goes Online!

Check out the new Owlets website! You will find details of all upcoming events & activities as well as information on policies & procedures. This website is regularly updated so check it weekly to ensure you don't miss out on news!
